## HOW DO I USE THIS NIFTY TOOL?

1 – Mobile tools can be accessed using any device with internet connection.

2- Login or create a new account:

[churchnativity.com/mobiletools](http://churchnativity.com/mobiletools)

If you already have an existing nativity user account, your username and password will allow you to access mobile tools.

3- Mobile tools is not an app, it is a website that will format for different types of devices. On a desktop or laptop, you can simply bookmark the website.

On a cell phone or tablet:

iPhone - click the sharing icon  and click add to home screen

Android - click menu button and click add to home screen
