

Weekend Experience – Building Layers of Leadership

Goal: This course provides the connection between serving and the discipleship path in order to build a culture of service by determining the systems and structures needed to invite and invest with the church community.

Outcome: Parish Leaders will learn how to build layers of leadership by investing and inviting a volunteer army to create a culture of service.

Topics Include:

- Building Connections to the Discipleship Path
- Strategies on Investing and Inviting
- Identifying Ministry Leaders
- Identifying Talent in the Pews
- Onboarding and Orientation Processes
- How to Make a Church-Wide Ask
- How to Continue Raising Leaders and Growing Volunteers
- Ministry Launch & Momentum
