

# Rebuilt Parish Coaching

## Guiding Teams from Ideas to Implementation

### What is Rebuilt Parish Coaching?

At Rebuilt, our mission is to make disciples by helping other parishes make disciples. We believe the best way to encourage you in this mission is to walk along side your team while navigating the rebuilding efforts at your parish.

The Rebuilt Coaching includes group learning and personal coaching. Our curriculum is built around our Strategic Anchors of Leadership, the Weekend Experience and Growing Deeper & Wider in Discipleship.

### Rebuilt's Strategic Anchors

We believe there are four key anchors that will rebuild your parish culture.
