

## THE ART OF COLLABORATION WEEK ONE

### DISCUSSION QUESTIONS

1. What are your thoughts on the division and disunity in our country and church? Where do you feel it most acutely in your life?
2. The message argued that contempt is the number one cause of division. Do you agree or disagree? When have you felt contempt for others? When have you experienced contempt from others? How did that make you feel?
3. On a scale of 1-5, how important is this topic of unity to you? Why do you answer as you do?
4. What would it look like to you to be open more to others' opinions and viewpoints?
5. Read aloud Mark 7:33b-34. How can you listen to the Lord about building unity? What would it mean for you to be open?

### Deeper Dive

What are your feelings on listening to people you disagree with? How could you practically do that?

Unity does not mean we compromise our convictions. Do you agree or disagree with that? Why is that an important distinction?
