PARKING & SHUTTLES

CHILDREN’S PROGRAMS

SUGGESTIONS

FAIRGROUNDS PARKING & SHUTTLE SERVICE

PARKING

Specific entrances and exits will be designated for northbound, southbound and westbound traffic. Please take note of the location that works best for your route.

Traffic to/from the NORTH should use the York Road Gate “N”

Traffic to/from the SOUTH should use the York Road Gate “S”

Traffic to/from the WEST should use the Timonium Road Gate

Traffic on Greenspring Drive should park in the Kaiser Permanente Garage

Handicapped parking is available near the Cow Palace—use Gate “N.” Follow the signs, put on your flashers and look for a member of our Parking team.

Please follow the direction of our parking ministers and traffic police to ensure the quickest and safest traffic flow.

SHUTTLE SERVICE

Free shuttles will be running constantly between the Cow Palace and the parking lots for convenience. Just look for the Shuttle Stop locations where we will pick you up before and drop you off after Mass.

CHILDREN’S PROGRAMS

Jingle Jam is our high energy Children’s Liturgy of the Word for elementary aged kids. All seating areas will have Jingle Jam guides who will take your child to and from the Jingle Jam area. The guides will be in your seating area before Mass to be sure your child has what they need to participate. A **Family Friendly seating section** will be available in the Cow Palace with space for little ones to spread out and enjoy activities while parents can see and hear everything. Our volunteers can guide you to this section.

WE SUGGEST

- Consider the 5:15pm Mass for a less crowded experience.
- Come early, find your seat, relax and enjoy the Christmas Prelude before Mass begins.
- Feel free to reserve seats for family and friends.
- Take advantage of our Family Friendly seating area and Jingle Jam. Your kids will love the experience.
- Follow the direction of Nativity ministers and police officers—they know what they’re doing.
