

A Daily Blessing for Mothers

Loving God,
Thank you for the gift of mothers and for all who love with a mother's heart. Today and every day, we place them in your care.

Give them strength for the moments that feel heavy, patience for the days that feel long, and peace that meets them right where they are.

Remind them that they are enough and deeply loved by you. Fill their homes with laughter, their hearts with hope, and their spirits with the quiet assurance that you are with them in every moment.

For those who are celebrating, bring joy. For those who are hurting, bring comfort. For those who feel unseen, remind them how valued they truly are. Bless all mothers in this life and those who now rest with you in heaven. May the love they give return to them in countless ways.

And may they always know that their care, sacrifice, and love reflect your own heart.

Amen.
